The Arizona Game and Fish Department is partnering with the Arizona Elk Society White Mountain Chapter (AES) to offer an elk natural history and viewing workshop on Saturday, Oct. 6, 2018 at Sipe White Mountain Wildlife Area near Eagar. Workshop presentations will begin at 11 a.m. After the presentations, an early dinner will be served by the AES. Dinner will be followed by an optional field trip to view elk nearby. Several field trip opportunities will be available, including some that will require driving and hikes/walks with various degrees of difficulty.

The workshop will be limited to 100 participants. A \$20/person dinner ticket is required for each reservation. The dinner is a fundraiser for the AES. Dinner will include a hamburger, side and dessert. Children must be 12 years old to participate.
