

“Heroes Rising Outdoors”

Tag Transfer Instructions (Deceased)

Thank you for choosing Arizona Elk Society “Heroes Rising Outdoors” for your tag donation.

Heroes Rising Outdoors was formed to provide **resident veterans of the State of Arizona** (severely injured service personnel) the chance to get out and participate in activities that they may have felt they would never be able to do again due to their disabilities. We focus solely on putting these wounded Veterans in a beautiful outdoor setting and giving them the opportunity to heal while enjoying the Hunt. Arizona’s great outdoors is some of the best therapy these warriors will find.

Please feel free to call Heroes Rising Outdoors with any questions you might have: 480-818-4665.

Instructions: **(If tag holder has died please follow these instructions)**

1. Print out the “Affidavit for Obtaining a Tag Transfer from A Decedent”.
2. Complete the form and have it **NOTARIZED** (If it is not “**NOTARIZED**” we cannot transfer the tag to a qualifying disabled veteran). **Mail big game tag (signed by legal representative) and affidavit to: AES – Heroes Rising Outdoors / 7773 W. Golden Ln. / Peoria, AZ, 85345**

Please visit our web site at www.arizonaelksociety.org and view the photos of our Heroes Rising Outdoors and see for yourself the gift that you have provided.

If you wish to volunteer, please complete a “**Volunteer Application**” that can be found on our web site under the “**Volunteer**” tab.

Donations are welcome: Monetary, Gift Cards, Camo Clothing, Camping Equipment or Items for Fundraising are always needed. Please visit our website and click on the “**Donation**” tab.

It is our policy not to note the specific donor when a tag has in fact been used as all the tags donated carry equal importance to our program. Our program works because in receiving multiple tags for different units, we have the flexibility to assign our hunters to areas that best work with both their physical capability and the availability of a guide/outfitter familiar with a specific unit. The more tags we receive the easier it is to put together the perfect hunt for each Arizona disabled veteran referred to Hunts for Heroes. We do not notify tag donators personally when a tag has been used.

A sincere thanks to you,

Heroes Rising Outdoors and the Arizona Elk Society
