## A Force for Mighty Change Fund

Thank you for your donation. Your support addresses health and food access, housing and homelessness, education and workforce development. We're partnering with nonprofits and schools so they can meet increased and changing community needs.

#### **Health and Food Access**

Your support will help to strengthen and support the emergency food system to reduce hunger among families and older adults and reduce barriers to accessing and receiving healthcare.

### Homelessness and Housing

Homelessness in Maricopa County is on the rise. Each situation is different and there isn't just one solution. Your donation provides emergency shelter and support services for individuals living in permanent supportive housing.

#### **Education**

We believe all children and youth deserve every opportunity to succeed. Your donation provides families with access to affordable quality childcare and early education, quality after-school and out-of-school time programs so parents can work, and at-home learning materials, programs and tutoring to help kids read at grade level.

## **Workforce Development**

A strong community provides opportunity for workers to earn a living wage. Your donation increases work and educational resources and connects businesses and education to help individuals create sustainable careers.

### Arizona Charitable Tax Credit

Your support provides vital essentials such as emergency rent, utilities and other financial assistance that helps families maintain stability.
